Education

B Tech, Computer Science, Data Science , IPS Academy, Indore	June 2026
• CGPA: 8.2/10.0	
Senior Secondary , Delhi Public School Nigahi	June 2022
• 90%	
Secondary , Delhi Public School Nigahi	June 2020
• 88.2%	

Technical Skills

Programming Languages : Java, Javascript
Data Structures & Algorithms: Proficient in problem solving and algorithmic thinking
Front-end side server: HTML, CSS, JavaScript, React.js, Tailwind
Back-end side server: Node.js, Express.js
Databases: MongoDB , Oracle SQL
Version Control: GitHub, Git, Render, Vercel
Soft Skills: Analytical Thinking, Problem Solving, Communication, Time Management, Logical Reasoning

Experience

NTPC Vindhyachal SDE Intern	July 2025
- Built “ProcureHub” – a procurement management platform (MERN stack) to streamline vendor registration, purchase requests, and approval workflows, improving transparency in procurement operations. - Designed interactive dashboards and tracking features to simplify decision-making for procurement teams. - Collaborated with NTPC engineers to align technical development with real-world enterprise procurement needs, ensuring scalability and usability.	

Projects

Disaster Alert And Risk Prediction Platform	Link
- Developed a MERN-based disaster alert system with secure authentication, admin-controlled alert creation, and real-time dashboard updates. - Integrated map-driven regional risk analysis using a Python ML microservice (FastAPI) to predict disaster severity with confidence metrics. - Built a modular ML pipeline supporting future extensions to time-series forecasting and satellite-image-based analysis.	
Reward-Based Crowdfunding Platform	Link
- Built a full-stack crowdfunding platform (MERN stack) enabling users to create, fund, and monitor campaigns with secure payment integration. - Designed responsive UI with React, Tailwind CSS and RESTful APIs with Node.js/Express.js for seamless user experience. - Integrated authentication, campaign progress tracking, and analytics dashboards, enhancing usability and engagement	

Certifications

NTPC, Vindhyachal	Certificate Link
From Zero to Pro Data Science and AI Advanced	Certificate Link
